### New Series **Designing Blind** Coming in August

Eric B., a renowned designer for the stars, is the only designer in the world who is...blind! Relying on his other senses, Eric teaches his clients to trust all their senses to create beautiful environments. In each episode of this series, Eric will lead two blindfolded clients through the process of choosing colors, fabrics, furniture, lighting, and flooring. Unpredictable, enlightening, and funny, *Designing Blind* will show viewers a side of the design process they've never seen before. (:30)

### New Series **Gene Simmons: Family Jewels** Coming in August

What do you get when you combine Gene Simmons, the tongue-wagging demon rock star of KISS, and Shannon Tweed, the former Playboy playmate? You get a loving, old-fashioned family with two normal kids. Can that be true?

### Full syndication starts 9/4 **C.S.I. Miami** Weekdays, 8-9pm

A whole new team of crime scene investigators is on hand to probe the seamy underside of what some refer to as Cuba North and others call Georgia South. Consider it a tropical blend of people, culture, nightlife and, of course, the occasional killing or two. Come for the crime, stick around for the clues. And there's always a clue.

### Special Presentation **Mediums: We See Dead People** Coming in August

This fascinating hour puts a new spin on the psychic phenomenon, delving into the worlds of psychic children and psychic twins. Viewers will meet 3-year-old Alison Martin, who talks to invisible people she insists are in the room, and Linda and Terry Jamison, the only set of identical psychic twins in the world.

### New Series starts 7/17 **Driving Force** Mondays at 9pm

Over 50,000 screaming fans watch as drag racers barrel down the track at 275 miles per hour, and the winner is...beautiful 22-year-old Ashley Force. This new real-life series gives viewers the chance to peek into the lives of Ashley, her drag racing legend father, John Force, and her racing sisters, Brittany and Courtney. We'll see the Force family struggle with their problems on the racing circuit and at home.

### A&E Original Movie **Wildfire** Coming in September

"As the inferno nears, it roars like a jet engine..." That's how one reporter described the events of "Black Saturday," August 20, 1988, when gigantic firestorms swept through Yellowstone National Park. One of the men who risked his life in the struggle was ecologist Dan Despain. This A&E Original Movie follows Despain from Memorial Day to Labor Day as he fights a series of heroic, Man vs. Nature battles to tame the blazes – one of which was named the Hellroaring fire – and save Yellowstone from destruction.

### Returning Series **MI-5 - Season 4** Coming in 3<sup>rd</sup> Qtr

Get ready for the fourth season of this action-packed, sexy espionage series that follows a crack team of agents assigned to *MI-5*, England's ruthless, hush-hush intelligence service. Their mission: Outsmart the world's smartest terrorists, immigrant smugglers, arms dealers, and drug lords – and then lie to the people in their personal lives about what they do.

### New lifestyle series starts 7/9 **Big Spender** Sundays at 5:30pm

Everyone knows a big spender – the gal who goes on a shopping spree, then whines about her credit card bills, or the guy who books a ski vacation, then cries poverty. Well, some of these folks have been ratted out by their friends, and they're going to get a financial kick in the pants in this new series. In each episode, a financial expert will give a big spender a money management plan.

### Special Presentation **Alexis Arquette** Coming in September

What's it like to have a sex change? This honest two-hour special follows actor Alexis Arquette as he realizes his life-long dream of transforming himself from man to woman. We follow Arquette through the process from the first hormone injection to the final surgery to his emergence as a reborn woman.

New 3<sup>rd</sup> Season starts 7/12

### Project Runway

Wednesdays at 10PM

Fifteen talented fashion designers have been selected from thousands of hopefuls to compete for the once-in-a-lifetime opportunity to show in

the world-renowned Bryant Park tents during New York's Fashion Week. *Project Runway* will provide the opportunity for these budding designers to break into the notoriously exclusive and sometimes cruel fashion business. The wildly successful competition reality series has proven to be one of television's most talked-about shows and produced some of TV's most memorable personalities and unforgettable moments.

New Series starts 7/25

### Work Out

Tuesdays at 10PM

*Work Out* will follow Jackie Warner, celebrity trainer and owner of Hollywood's

'Sky Sport and Spa', her team of trainers and clients. Everything inside Sky Sport and Spa is visually impressive, including the top of the art facilities and the most attractive staff of trainers in the city. However, with youth and beauty comes high drama and emotional turmoil. *Work Out* will follow the cast in and out of the gym, where their lives overlap and intersect on multiple levels. Although some might see Sky as a somewhat dysfunctional family, Jackie has managed to create a place that is a welcoming home to many.

New Season starts 8/29

### Million Dollar Listing

Tuesdays at 10PM

Bravo will pull back the curtain on yet another familiar world to watch what happens when ten top agents in California's tough real estate market stop at nothing to close the deal on the next *Million Dollar Listing*. The six-episode, one-hour series will look at the high-stakes, cutthroat world of real estate in the high-priced fantasy lands of Malibu and Hollywood and introduce an array of colorful personalities including high-powered agents, sellers and buyers as their riveting lives intersect.

### Inside The Actor's Studio

Sundays at 9PM

For more than eleven years, James Lipton has sat down with more than 180 of the world's most accomplished artists – ranging from actors and directors to musicians and comedians - for penetrating, fascinating interviews. Lipton's studious research and enlightened curiosity has inspired his guests to open up and confess their deepest thoughts about their craft.

# 3<sup>rd</sup> Qtr 2006 Programming Highlights

New Season  
**Mind of Mencia**  
Sundays at 10 (7/9-8/27)

Carlos Mencia returns this summer with the last eight episodes of a very successful second season. Shot in the studio and on location, *Mind of Mencia* is based on Mencia's unique point of view of the world including such topics as ethnic stereotypes, race relations, immigration, war, patriotism, capitalism and family and it's presented with brutal honesty and unrelenting provocation. The show includes Mencia's comments on pop culture and current events, man-on-the-street interviews, commercial parodies, as well as interaction with the studio audience.

New series  
**Dog Bites Man**  
Wednesdays at 10:30PM

Expect nothing traditional as Comedy Central delves deeper into the world of the traditional half-hour narrative with the 10-episode order of *Dog Bites Man*, an outrageous, improvised, single camera show that features a group of dysfunctional fake newscasters interacting with real people and is presented in a documentary-style format. Anyone who watches the local news knows that it is inherently, albeit unintentionally, humorous. With *Dog Bites Man* that humor and the chaos simmering just below the surface is magnified via the complex and unbelievably hilarious KSGY news team.

Three new episodes!  
**Chappelle's Show**  
Sundays at 9pm (7/9-7/23)

Back for a short while this summer, *Chappelle's Show: The Lost Episodes* premieres the final sketches Dave Chappelle created for Comedy Central. Chappelle takes his street-smart comedy to a whole new level in this half-hour sketch comedy variety show which provides a comedic and sometimes defiant look at American culture, including music, movies, television, advertising, current events & everyday life situations.

New Series  
**The Sarah Silverman Programme**  
Coming in 3<sup>rd</sup> Quarter

Based on an idea by Silverman, Dan Harmon and Rob Schrab, the series stars Silverman as a character -- also named Sarah Silverman -- whose absurd daily life will be told through an array of scripted comedic scenes and songs.

New Series starts 7/21  
**Live At Gotham**  
Fridays at 11pm

We're reinventing stand-up with six one-hour episodes of our latest stand-up series, *Live At Gotham*. *Live At Gotham* got its start on our broadband channel "MotherLoad," and is so hot, it's moving to the big screen. Well, at least to the bigger screen of a TV. Each week, catch a live show from the Gotham Comedy Club in New York City. Every show features six up-and-coming comedians, and is hosted by well-known comics such as Patton Oswalt, Sommore, Greg Behrendt, and Christopher Titus.

**The Comedy Central Roast of William Shatner**  
August 13<sup>th</sup>, 10-11:30pm

Comedy Central continues to make history with this no-holds-barred insult fest event where nothing is sacred. This year's "roastee" will be William Shatner! He will join the ranks of other distinguished entertainers such as Dennis Leary, Hugh Hefner, Chevy Chase and Jeff Foxworthy - to name a few - who have been successfully "roasted".

New Season starts 7/9  
**Reno 911**  
Sundays at 10:30pm

The Reno police force is back in action for a fourth season! Find out if Dangle and Garcia freeze to death, if Deputy Wiegel's serial killer husband gets a lethal injection and what happens when Jones and Garcia are transferred to the Reno mounted patrol in 14 new episodes of the hit comedy series. The new season features guest stars Paul Reubens (aka Pee Wee Herman), Carrot Top and Oscar Nunez ("The Office")."

New Series  
**Naked Trucker & T-Bone**  
Coming in late Summer

"Naked Trucker" takes place at a truck stop featuring a naked trucker and his ne'er-do-well sidekick, Gerald "T-Bones"

Tibbons, who are backed by a hell-raising band. Each week they will join viewers from a truck stop in Middle America to re-fuel and tell their story of being on the road in pursuit of the American dream.

**New Season**  
**Beach Patrol:**  
**Miami Beach**  
**Mondays at 8pm**

Coming off the huge success of *Beach Patrol San*

*Diego*, Court TV explores a new coast in *Beach Patrol: Miami Beach*, a fast-paced, hard-driving series, following the lifeguards of the Miami Beach Ocean Rescue team. Working hand-in-hand with the Miami Beach Fire and Police Departments, the Miami Beach Ocean Rescue encounters unpredictable and sometimes volatile situations ranging from drunken brawls on the beach to dangerous ocean water rescues.

**New Series starts 8/16**  
**Missing Persons Unit**  
**Wednesdays at 10:30pm**

An unexplained disappearance.. A lack of evidence.. Few witnesses.. A hopeless case? No, not when you can count on the dogged determination and perseverance of dedicated professionals assigned to these difficult, emotionally-charged cases. *Missing Persons Unit* focuses on the investigations – and the investigators – behind some seemingly unsolvable disappearances. Whether it takes weeks, months, years, even decades, all is not lost, thanks to the persistence of police detectives who are committed to continue searching until they find answers. And often, the answers they *do* find are entirely unexpected.

**New Season starts 6/14**  
**Haunting Evidence**  
**Wednesdays at 10:30pm**

Following the success of the original series, *Psychic Detectives*®, Court TV takes the paranormal/crime-solving phenomenon one step further when psychic profiler Carla Baron, medium John J. Oliver, and paranormal investigator Patrick Burns visit "haunted" crime scenes and attempt to provide new insight into cold cases.

**New Season starts 8/15**  
**Parco P.I.**  
**Tuesdays at 10pm**

This hybrid reality/docu-drama series

returns for a second season to follow the Parcos, a family of New York City private eyes, as they crack cases and expose secrets at their family-run private investigation firm. From cheating spouses to corrupt business partners, the series combines the most compelling elements of 'verité' documentaries and scripted drama.

**New Series**  
**Suburban Secrets**  
**Coming in 3<sup>rd</sup> Quarter'06**

*City Confidential* meets *Desperate Housewives* in this riveting new half-hour documentary series from Court TV. Each episode examines cases where ordinary Americans discovered their neighbors were secretly involved in extraordinary activities. Everyone will be able to relate to the real people who, through no fault of their own, find themselves caught up in real-life dramas. Viewers can't help but be gripped by the surprising details revealed as each scandal unfolds. In *Suburban Secrets*, the towns may be small, but the stories are huge.

**Movie Premiere:**  
**On Native Soil**  
**Monday, August 21<sup>st</sup> at 9pm**

Based on the best-selling 9/11 Commission Report,

and narrated by Academy Award winners Kevin Costner and Hilary Swank, *On Native Soil* details the personal stories of tragedy and triumph that led to the formation of the 9/11 Commission and the publication of the Commission's landmark report. Directed by award-winning news and film producer Linda Ellman, the film presents provocative new details and exclusive interviews, focusing on the human side of the largest terrorist assault ever to take place in the United States.

**New Series**  
**On The Run**  
**Coming in 3<sup>rd</sup> Quarter'06**

The brand new Court TV series follows the dramatic stories and larger-than-life personalities of those who span the globe using unrelenting persistence and innovative procedures to track down the world's most fiendishly clever fugitives. *On The Run* is game of Cat-and-Mouse played with hi-tech toys and even higher stakes.

**New Series**  
**'Til Death Do Us Part**  
**Coming in 3<sup>rd</sup> Quarter'06**

In a style that throws back to the cult classic *The Twilight Zone*, each episode of 'Til Death do us Part begins with a happy couple during their wedding ceremony. Fabled director Jon Waters, of *Hairspray* fame, then sets the scene for the drama and mystery that unfolds.

**Egypt: Engineering An Empire**  
Coming in August

Long before the world had ever heard of Rome or Greece, Egypt was building a civilization that astounds us to this day.

Using only a few, simple tools, the amazing Egyptians engineered giant pyramids, fortresses, dams, irrigation canals, and temples in the desert sands, laying much of the groundwork for human civilization. But there were failures along the way, too, and each of the nation's rulers made his peculiar contributions – for good or for bad. This captivating special examines these rulers' personalities and how they shaped the empire's construction feats for over 3,000 years. From their greatest achievements to their most spectacular disasters, we'll look at the ingenuity and recklessness of the leaders and builders who engineered the oldest empire in history.

### New Season begins 7/18 **Miami Ink** Tuesdays, 9-10pm

TLC sets up shop in South Beach to take viewers inside the colorful, painful, intriguing world of Tattoo artistry in *Miami Ink*. In this series, four friends and competitive rivals - a motley crew of cutting-edge, humorous young guys and best friends - open and run a custom tattoo parlor, where they live, work and play together.

### New Season **Overhaulin' 4** Tuesdays, 8-9pm (9p before 7/18)

We've all seen them. They sit in the driveway or front yard for years or they're driven in complete embarrassment. We're referring to the all-American eyesore - the clunker. Using stealth and cooperation from friends and/or family to separate the car from the owner, *Overhaulin'* takes these clunkers to a nearby garage and gives them a complete, ultra high-speed custom makeover. Can a group of custom car builders working with lightning speed on a limited budget transform a guy's clunker into a hot custom car without him knowing it? Watch the transformation as our hot rod automobile designer Chip Foose takes a faded out heap to custom car.

### New Series starts 7/16 **The Messengers** Sundays, 10-11pm

*The Messengers* will be a contest of words. We will take 10 people and ask them to speak out on inspirational topics every episode - 8 episodes in all. They will deliver their speeches on a stage in front of a live studio audience who will vote on who they thought was the best. The winner will be awarded a book publishing deal and a chance to host their own television special.

### New Series starts 8/7 **Texas Cheerleaders** Mondays, 8-9pm

Follow the members of one of the most competitive and award winning cheerleading squads in Texas.
